BROMWELL'S
FIREPLACES, FURNISHINGS, UNIQUE FINDS

our story

Any business can state a “since ...” date, but in Cincinnati, our “Established 1819” beats them all. As the Queen City’s oldest retailer, Bromwell’s has curated an authentic shopping experience that reflects all of our nearly 200 years.

Managed by only its third owners, our gallery-style store of fireplaces and furnishings is an integral part of the city’s history and its rapid, 21st-century rejuvenation.

From our founding by pioneer wire-and-brush dealer Jacob Bromwell to our evolution into a leading home-style destination, we have never wavered in our commitment to quality products and design as well as congenial service.

We know unique experiences are essential to a city’s identity and believe Bromwell’s is on target. We know when you visit us, you will find yourself grounded in the past while stepping into the future with style.

the experience

Step into our 120-year-old building. Hear the creak of our vintage oak floors as you wander. Listen to the standards of the Rat Pack and American jazz greats. Inhale the amazing aroma of candles, a warm fire and aged leather.

This is Bromwell's.

Now use your eyes and imagine how our inspiring displays of furniture, art and collectible-quality accessories will look in your home. Traditional gas fireplace logs and modern glass-ball flames flicker. Cool fixtures bounce their light off of faceted mirrors and gleaming metal.

This is Bromwell's.

Stop in our antique pub space for a dram or a cup of fresh coffee, then explore our unparalleled place at your own pace, deciding as you stroll just how many of our authentic products belong in your home.

This is Bromwell's.

our products

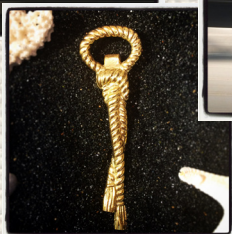

Bromwell's takes pride in developing close partnerships with the men and women who craft our products, and we strive to find them close to home.

Our fireplaces are made here in North America, and our upholstery is from the states, including Ohio. We love small-batch manufacturers, such as the folks who make our hand-poured, scented candles and bottled cocktail mixers.

You seek the real deal. So we deliver it with fireplace staging that's as cozy as a living room. Much of our art is original, and our lighting and accessories are curated to complement the grand fireplaces for which we are known.

You can depend on our staff and our partners' products to create a memorable experience at Bromwell's.

our services

We know that each project and guest at Bromwell's is different. So, we ask questions to learn all that we can about both.

We offer complete fireplace design and installation within our trade area, but we inform and inspire customers from outside our market, as well.

Our furniture collections feature customization options that our in-store designers discuss with guests so they make right decisions that bring their homes to life. And, out-of-town guests who fall in love with the Bromwell's brand can take a bit of it home thanks to our extensive gift and accessory collections.

Our service is our signature, and we believe that with each transaction a new friendship is formed.

the lounge

Before or after a fine meal or visit to our gallery, feel a warm welcome right next door in our after-hours oasis, Bromwell's Harth Lounge. Like the library of our finely tailored founder, Lord Bromwell, Harth shares our store's luxurious, eclectic style.

Cordial bartenders serve tasty bites and craft classic cocktails such as the Proper Bromwell Martini. Music is performed live by the region's finest jazzbos, and cozy nooks encourage quality conversation without the distraction of a single TV.

Come experience the signature Bromwell's brand of hospitality that makes Harth Lounge a nightlife destination where friends gather to disconnect and reconnect.

Bromwell's Harth Lounge, open Wednesday-Saturday evenings at 125 W. Fourth St., Cincinnati, OH. 513-641-3473
